

REMARKS

Claims 1-23 stand provisionally rejected on the ground of nonstatutory double patenting over claims 1-46 of copending application Serial No. 10/553,712. Applicant submits herewith a Terminal Disclaimer to obviate this rejection over the pending "reference" application.

The examiner has required new corrected drawings on the ground that drawings were not in the file. Applicant submitted drawings with the filing of this application and these drawings appeared in the publication of this application on March 22, 2007. Nevertheless, applicant submits herewith a complete set of replacement drawings.

Claims 1-23 stand rejected under 35 U.S.C. § 112, second paragraph as being indefinite. Applicant has amended the claims where appropriate to obviate this rejection.

Claims 1-3, 6-21 and 23 stand rejected under 35 U.S.C. § 102(e) as anticipated by Stark and as anticipated by Roth et al.

Applicant acknowledges that claims 4-5 and 22 have been indicated to contain allowable subject matter.

Applicant has cancelled claims 1, 2 and 4 and has added new claims 24 and 25 which contain the limitations of original claims 1 and 4. The remaining claims have been amended where appropriate to conform to the presence of new claims 24 and 25 and to recite the invention with greater precision. All the claims are now in condition for allowance and such action is respectfully solicited.

If any points remain in issue, which the Examiner feels would best be resolved by either a personal or a telephone interview, he is urged to contact Applicant's attorney at the telephone number below. No fee is deemed necessary. However, if any other fee is required, authorization is hereby given to charge the amount of such fee to Deposit Account No. 03-3125.

Respectfully submitted,

Dated: February 7, 2008
